# Croeso i L Fest 2018!

Y flwyddyn hon rydym wedi bod yn trefnu'r ŵyl mewn lleoliad newydd, a dwi'n falch iawn rydych wedi cefnogi fy mhenderfyniad i symud L ffest i Gymru. Diolch arbennig i Ruby a awgrymodd y safle yn Llandudno i ni, rydym bob tro yn barod i wrando ar eich syniadau. Mae tref Llandudno wedi bod yn gefnogol iawn ac mae'n dref hardd Ficoriaidd, felly rhwng bob dim sicrhewch eich bod yn ymweld y dref neu fynd am dro at y Pier neu Pen y Gogarth.

Fe werthwyd y tocynnau yn fuan iawn (oedd 650 wedi eu gwerthu erbyn mis Chwefror yn rhywbeth anarferol iawn i ni) ac felly oeddwn i'n gwybod ei fod yn syniad da i wneud cais am drwydded mwy er mwyn cael mwy ohonoch chi yma, ac fel y gwelwch chi gennym ni gofodau o dan do yn ogystal â gofodau awyr agored yn ogystal â golygfa hardd o'r môr a'r traeth!

Rydym yn edrych ymlaen at ein holl berfformiadau ar gyfer 2018 ac ein 'headliners' Katrina o Katrina and the Waves a Toyah! Rydym wedi newid pethau ychydig y flwyddyn hon, does dim panel awduron ond mae yna mwy o sioeau a dim sinema ond mae cae mawr ar gyfer chwaraeon. Cofiwch i roi adborth i ni ar ôl yr ŵyl a byddwn yn creu rhaglenni'r dyfodol wedi ei seilio ar be yr ydych chi eisiau :-)

Hoffwn ddiolch i'n noddwyr sydd wedi helpu ariannu'r ŵyl ac i griw L ffest a fydd yn gweithio'n galed drwy'r flwyddyn ar eich cyfer yn trefnu rhannau o'r ŵyl.

Am wan, gosodwch eich pabell a ymlaciwch yn y darn prydferth yma o ogledd Cymru cyn mwynhau penwythnos llawn o adloniant gwych.

Cariad - Cindy (AKA y Bos) xx

# Welcome to L Fest 2018!

This year has been another year of planning a new venue, but I'm so glad that you supported my decision to move to Llandudno Wales. A special shout out to Ruby who suggested this site to us, we always listen to suggestions. The town of Llandudno has been very supportive with us and it is such a beautiful Victorian town, so amongst the busy programme do make sure that you make time for a little visit into the town itself.

When tickets sold out so quickly, (650 sold by February is unheard of for us) so I knew that the move was a good one and applied for a bigger licence to get more of you here and as you can see this year we have indoor & outdoor spaces along with the beach and sea view!

We are very excited about all of our acts for 2018 and our headliners Katrina of Katrina and the Waves and Toyah! We have mixed things up slightly this year, there is no author panel but there are more theatre shows and no cinema but there is a big sports field. As ever give us feedback on your thoughts after the event as we will programme what you ask for :-)

I'd like to thank our sponsors who have really helped fund the festival and the L Fest Crew who will work hard all weekend for you and especially the L Fest Crew members who work all year on planning parts of the festival

For now, sit back pitch that tent and relax in beautiful north wales before enjoying a weekend of action packed entertainment.

Love from Cindy (AKA the Boss) xx

A photograph showing a person in a green shirt standing in a field with large, 3D letters spelling out 'CROESO WELCOM'. The letters are white with red and grey accents. The person has their arms outstretched. In the background, there is a tractor and a grassy field under a clear sky.

# Never Ever Leave Your Dog in a Hot Car

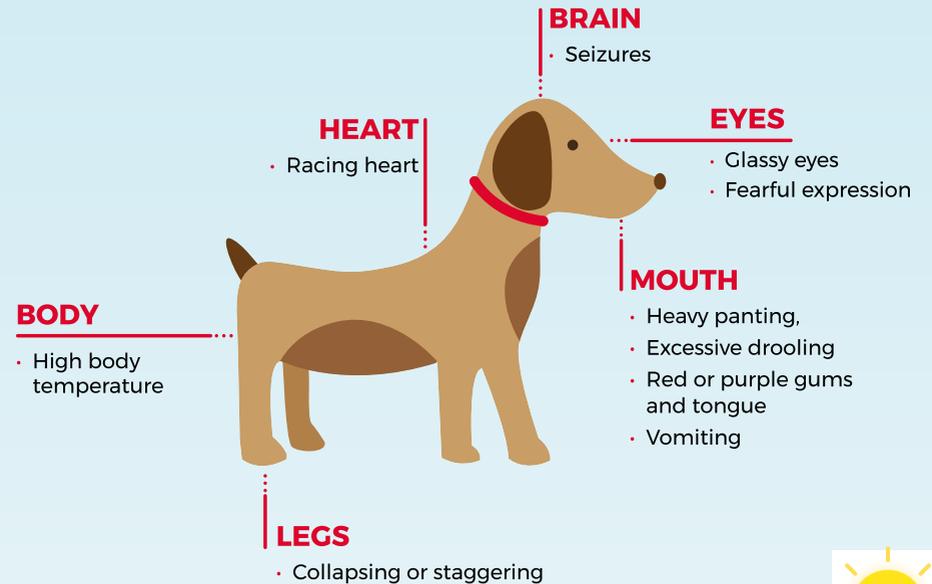

Just a 2°C increase in a dog's body temperature is all it takes for heat stroke to kick in. Fatalities can occur in as little as 15 minutes.

- It can take as little as 15 minutes for a dog to die of heat stroke
- Studies show opening the windows has little effect on temperatures
- Cars left in the shade can also heat up to dangerous levels

## How quickly does a car heat up?

# Heat Stroke Know The Signs

## How to keep your dog cool on hot days

- Restrict exercise
- Never leave in car, hot room or sun trap
- Ensure drinking water and a cool, shaded spot is always available
- Walk early in the morning or later in the evening
- Spray with cool water

## Steps to take if you're worried your dog has heat stroke

- Move somewhere cool
- Offer small amounts of tepid water
- Using wet towels, douse with cool (but never, ever cold) water
- Place in the breeze of a fan
- Contact your vet or, out of hours, your nearest Vets Now pet emergency clinic straight away
